### July – August 2019 Fishing News

August 14, 2019

Greetings to you, my friends! God has shown Himself good to us again in giving us doors of opportunity to serve Him. As we give account to you, most of this information is a product of answered prayer. You are responsible for that, for which I am thankful. Please continue on; it is not time to wash your nets yet (Luke 5).

It has been good to be back visiting and fellowshiping with supporters. In July a trip took us through ten states in less than two weeks. Each church was a blessing to be in. It started in North Carolina at White Plains Baptist Church with Pastor David Tucker. This is the area of the old circuit riders and camp meeting crowds. They still are active in these areas and the people are a joy to be around. If you are ever in the area, visit that church. We also had the opportunity to see there a very special couple who have had a big investment in FOMMI (Fred and Norma Miller). From there we travelled to the Cincinnati, Ohio area for a Wednesday night service at Mt. Hope Baptist Church with Pastor John Niehaus (I pastored there from 1977-1984). The church and property are beautifully kept, and Pastor Niehaus and crew continue to actively serve. Sunday morning service was at Bible Believer's Baptist Church in Loveland with Pastor Victor Wilson. I had the joy of having some input in his life years ago through Bible classes. He was a good student and has built a strong work in Loveland. He mentioned to me that through the years that church has given over 2.8 million dollars to missions; I am grateful to have received some of that support for FOMMI. The Sunday evening service was at Bible Baptist Church in Covington, Kentucky with Pastor Bill Baker. We enjoyed fellowshiping with him and his congregation. Pastor Baker has visited us in south Alabama and knows firsthand the needs of this ministry. One of his members visits us often and I am training him to fish!

FOMMI has been blessed by having strong supporters. I will continue to visit as many as possible in between mission trips. Lord willing, in November Henry Vick and I will be travelling to Luzon in the Philippines, then on to Bangladesh. I will help Fishers of Men Baptist Church in San Fernando City, La Union, Philippines celebrate their 20th anniversary. What a blessing to see that work standing strong on its own (self-supporting) after years of building. Fishers of Men Bible School is healthy and strong as well. To invest in the lives of young people called to ministry is my greatest pleasure along with soul winning. Pastor Jeph Palit-Ang will be travelling on with us to Bangladesh. We will be visiting the new churches started by our representative there, Bro. Lemon. We will also visit the site of the building in progress on an island area that will be headquarters for FOMMI, Fishing Fields Church and Bible school. Along the 700 rivers of southern Bangladesh are souls that are hungry for truth. What a blessing to tell them who this TRUTH is (John 14:6). God is still saving sinners. What joy to see them with our eyes!

I still enjoy going on Wednesdays to Escambia County Jail in Pensacola, Florida when I am home. Bible studies there are a challenge. Henry Vick and I try to prepare for this hour with inmates of every need. Yes, some are getting saved and others are seeing why they made the trip inside. The one-on-one has been a help to me. The down and out seem to respond better to the gospel than do the up and out.

Prayer requests.....good health for Lenora and me; the ability to go through open doors; funds to make all run smoothly; a closer walk with our LORD.

In Christian love,

Dr. A.W. "Fisher" Mund
